

Dear Parents and Guardians:

January 7, 2019

Each year we strive to provide the best academic and social experience for our students. It has been our privilege to have had your children at BridgePrep Academy of Collier for this past school year.

In order to better plan and budget for the upcoming 2019-2020 school year, we need to know your intentions for next school year. Please visit our website at <http://www.bridgeprepcollier.com> and locate the red button labeled **Current Student Intent Form** on the left hand side of the homepage. Below is the image of the link on the website as well as the direct link to the form.

The Current Student Intent Form must be completed and submitted electronically by **Friday February 7, 2020** via webpage link.

If your intent is *not* received by the above date, it will be assumed your child(ren) will not be returning to BridgePrep Academy of Collier and as such your child will lose their spot in our school and replaced with an incoming applicant.

If you have any questions or would like further information, please contact our school office and request to speak to Ms. Perez (239)677-4211.

Respectfully yours,
